I sit and stare through glass to life outside.
Can only wonder what lay there for me.
Am I so much afraid I will not see
That panes so thin can only but divide
The truth out there from ignorance inside
My soul? The wind, the fields, the stormy sea
Together show the way to destiny.
Yet must I leave this place where safe I hide?
And then I strike and shatter every pane.
The trembling air sneaks through and whispers, "Fight."
Now all that stood twixt word and deed — a sieve
Which lets me stumble through that jagged lane.
And eyes that once viewed blackness now see white.
And voice that once was mute now cries, "I live!"

There is no room in
American society today
for second place.
We must always
win, win, win . . .

Vince Lombardi

Row One — R. Kolitsky, R. Bleggi, R. Englehart. Row Two — K. Holmberg, R. Shaw.

The Neshannock football team was predicted to end in second place and that was where they finished. The powerful Lancers under the leadership of Coach Bleggi came closer to play off competition than any previous Lancer football team. The one time "Neshannock cake-eater" team has now proven itself as a powerhouse in the Tri-county league. Neshannock came on strong in the beginning and defeated its long time rival, Shenango, in a hard fought struggle. Near the middle of the season the Lancers slipped and lost two games, one league and one not. This made it necessary for the Lancers to win the rest of its games to make the play-offs. They met that task up to their last game when they suffered a heart-breaking defeat to Union.

TRACK

Mr. Englehart practices for squirrel season.

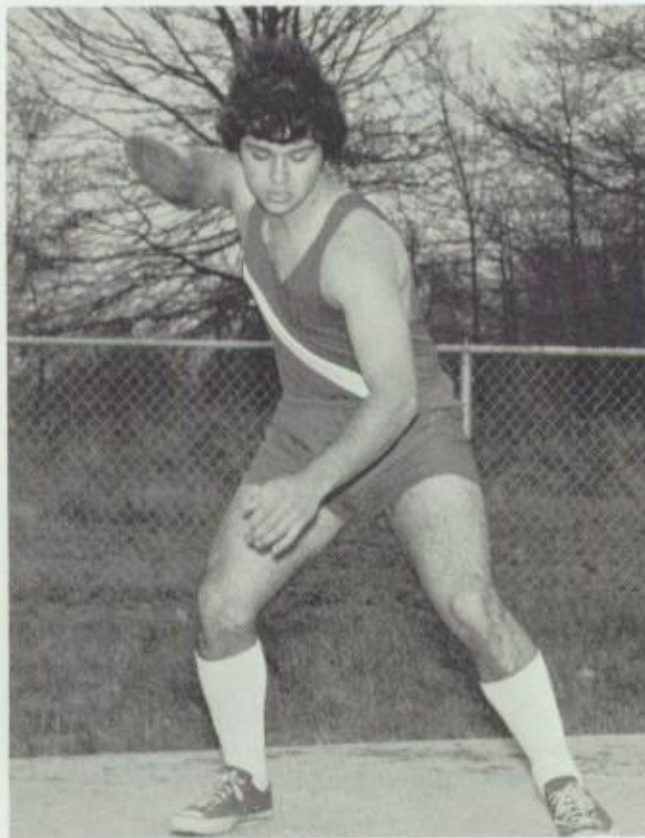

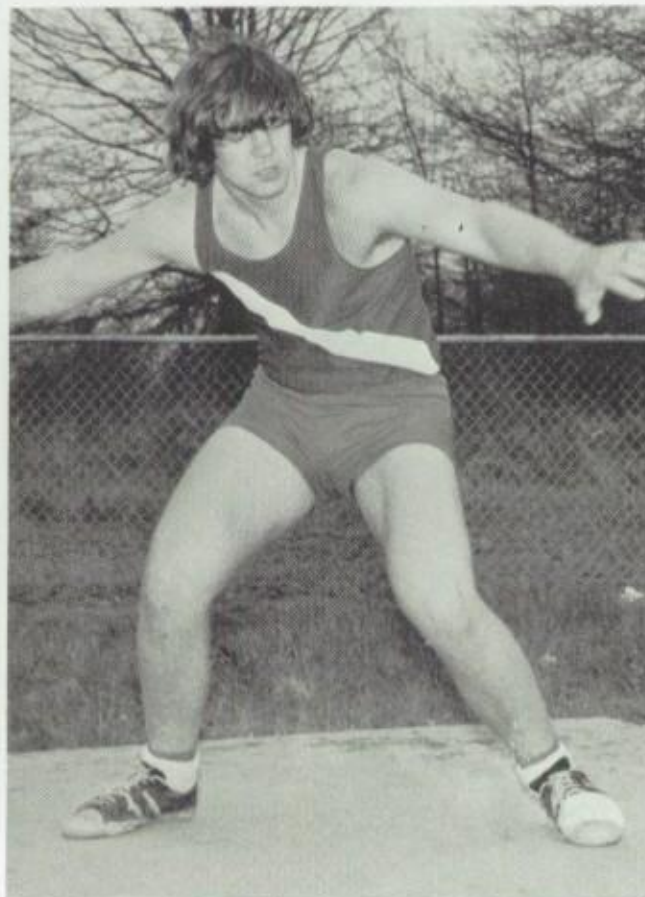

Another fantastic season for Coach Bleggi's track team as it captures its fourth straight tri-county win. "Big Ang" Burrelli broke the school record and then exceeded that. Many records were broken as usual for the mighty Lancer track team.

"I can't wait until I get enough money to buy a car."

Bozo and Bubsy are the strong arms of the Neshannock track team.

"Should I break another record?"

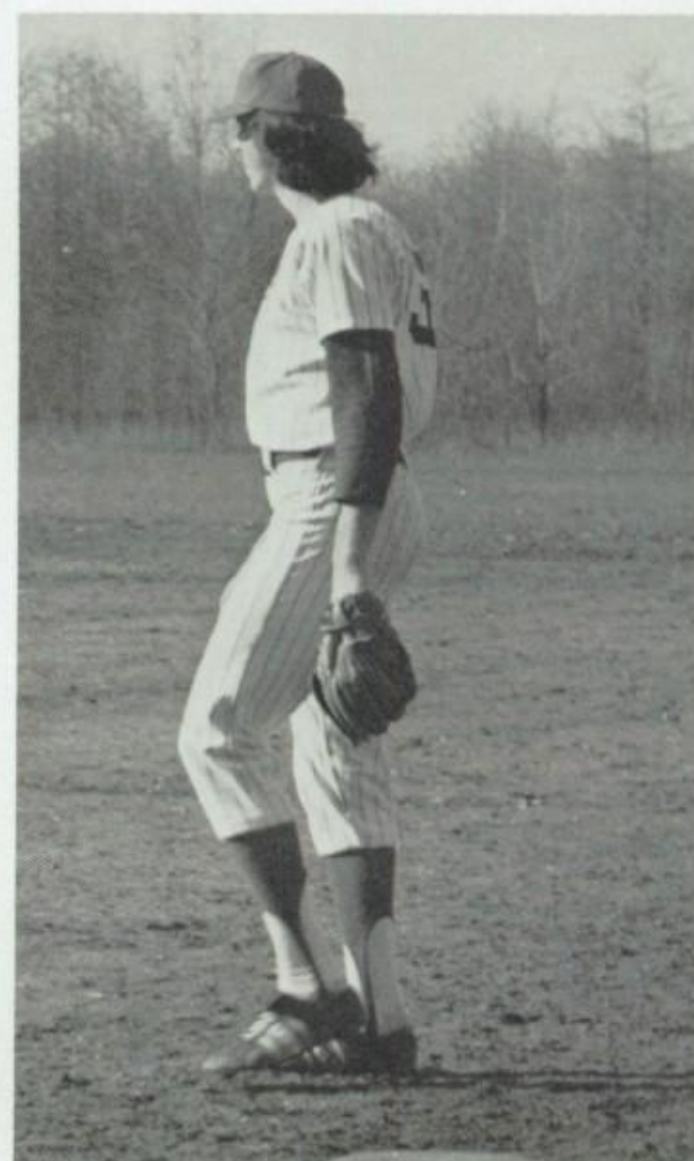

"Big Den" Marburger, who coached the team to the championship game against Penn Hills last year, found this year to be a rather disappointing season with a final record of 6 to 3 which put them in third place.

BASE

"There's something in my hat so I'll smash it with this club."

CHEER

This year's cheerleaders spent an enjoyable week at cheerleading camp learning new cheers and even a pompom routine. The result is clearly evident in the great work these girls have done. The spirit in the school is something to brag about!

J.V.: S. Koslow, L. Sommerfeld, E. Donovan, K. Kennedy, J. Palko.

J.V.: Row One — E. Donovan. Row Two — T. Zona, L. Sommerfeld, J. Palko, K. Kennedy, S. Koslow.

The cheerleaders have a new look — new uniforms. They also have more spirit than ever before. They're always decorating lockers and halls. This adds to the team spirit. This year's captain of the basketball squad is Debbie Smith. The cheerleaders of this year have done a great job and deserve a lot of recognition.

In the past few months we, of the LANCE staff, have tried to compose a yearbook that will have a little meaning to everyone of you. We hope that in ten or fifteen years from now you may look back and smile or even shed a sad tear of regret. But whatever it means to you there is a little of each of us in this book.

It would be impossible to list all the people responsible for making this year's LANCE what it is. The section editors and typists were the greatest. Mr. Getty always came through when he was needed even when we asked the impossible. Mr. Lucas, who stood by us through tears and tantrums, we couldn't have done it without you. Elaine, Anna and Walter . . . well thanks for everything.

But most of all thanks to the Class of '74 for making this the greatest year ever. In the future we will all go our separate ways but the past 12 years have been ours to share. This yearbook is therefore dedicated to "The Steps From Tradition," the graduating class of 1974. Remember us fondly.

Denise Bowen
Editor-in-Chief

every
hello
means a
good-bye.
it's a hard
thing to
say good-bye
for the
last time.
always before,
I thought it
would be
easy.
a wave,
a sad smile,
a few casual words,
and that
would be
good-bye
but it's not
that way . . .
I've taken
my things
and folded away
my memories
and said the
proper words
but how
do I
leave
all the
days, thoughts,
and smiles?
how can I say
good-bye
when saying
good-bye
means
having to leave?
always before
there was time,
a couple of
years or weeks or days
or minutes . . .
now everyone is
moving on.
and I
must go,
too.
